

CCO Music Scholarship Donations

The Confluence Chamber Orchestra is devoted to lifelong enjoyment of playing and sharing music in free concerts for the St. Louis community. We encourage students of all ages to improve their performance through private lessons.

Donations to the orchestra make it possible for us to recruit talented students and provide scholarships for music lessons or give them the use of a fine instrument. This benefits families, supports music teachers, and adds youthful energy to the orchestra.

Help us spread the love of music across all generations with a tax deductible gift. The Confluence Chamber Orchestra is a 501(c)(3) nonprofit, and contributions are fully tax deductible. All gifts will be acknowledged by return mail.
